Reservations made via the Library web site will receive first priority.

Applications must be filled out and signed in person by the representative of the organization, along with an alternate if desired, who:

- have actual authority to bind the organization.
- have a valid Portsmouth Public Library card in good standing.

Applications must be submitted no less than two weeks prior to requested date. Completion of an application does not guarantee the use of meeting space. Confirmation of room use, based upon availability and application review, will be conferred within seven business days.

Representatives' contact information will be given to persons inquiring about meeting information.

Simultaneous room usage by the same organization and/or representatives is not permitted.

The same group and /or individual may not use the room more than twice per month, unless otherwise permitted by Portsmouth Public Library.

All programs/meetings must be free and open to the public, and must not disrupt the use of the Library for others.

Representatives must confer with Library staff before accepting rooms for use, see that the room is vacated 15 minutes prior to library closing and contact Library staff once the room is vacated.

Applicants should notify the Library of meeting cancellation. An organization's future reservations will be removed, and possible revocation of the organization's room use privileges if three meetings are cancelled without notice to the Library.

Groups reserving the Main Library Meeting Room may be moved to the Board Room (if available) when participation is below the expected attendance.

Room occupancy shall be limited to the room's capacity as determined by the Fire Marshal.

In the event of an emergency closing every effort will be made by the library staff to notify the representative listed on the application. In cases of inclement weather, the representative is responsible for calling the Library for obtaining a closing schedule, or checking the Library's website.
